### (PMAI® Archetypes) as Characters

**Caregiver:** Kind and nurturing, able to see the good in others and develop it

**Creator:** An innovative creative person who follows their muse and expresses originality

**Idealist:** A person of faith and trust in the goodness of life and can carry it through darkness

**Jester:** The Wise Fool who uses humor to bring levity and pleasure to the painful realities of life

**Lover:** One who knows love and lives fully intimate with life and others with passion and gusto

**Magician:** Shaman and alchemist who knows the secrets and power of what is hidden and how to use it

**Realist:** A sensible, likable, humble Everyman who has earned common sense through hardship and is loyal to their tribe

**Revolutionary:** A Liberator of the people who is unafraid to challenge the status quo and eliminate what does not work

**Ruler:** A beneficent authority who creates order and rules with magnanimity and wisdom as a humble servant

**Sage:** A trusted intellectual who guides others with knowledge, data, logic, and wisdom

**Seeker:** An adventurer who explores the inner and/or outer worlds with enthusiasm, freedom, and authenticity

**Warrior:** A Champion who courageously confronts threats to the principles that hold a people, community, or society together
